ICCS2014 Call For Papers

The 14th IEEE International Conference on Communication Systems (ICCS) will be held in Macau, from 19-21 November, 2014. The conference will feature keynote speeches by distinguished leaders in academia and industry, technical presentations, and workshops on all topics that interest researchers in the broad area of communication systems, networks, and applications. It is financially co-sponsored by IEEE Singapore Section-Communications Chapter, IEEE Singapore Section-Vehicular Technology Chapter, and IEEE Singapore Section, and technically sponsored by IEEE Macau Section.

We encourage all researchers to submit their best work to ICCS 2014, and look forward to welcoming you to Macau in November 2014.

The topics of interest include, but are not limited to, the following:

- Antenna, Propagation, & Channel Modeling
- Body Area Networks
- Cognitive Radio and Dynamic Spectrum Access
- Communication and Coding Theory
- Cooperative Communications
- Data Centre Networks
- Delay Tolerant Networks
- Detection, Estimation, & Precoding
- Device-to-Device Communication
- Small-Cell and Heterogeneous Networks
- Green Communications
- Interference Management
- Internet of Things Enabling Technologies
- Machine-to-Machine Communications
- Medical ICT Systems
- Microwave Devices & Systems
- Mobile Broadband Networks
- Mobile Cloud Computing and Mobile Social Networks
- Multi-Carrier and Single-Carrier Systems
- Network Architecture
- Network Security
- Near-Field Communications
- Network Coding
- Network Virtualization
- Optical Communications & Photonics
- Optical Networks
- Quality of Service
- Reliability and Survivability
- Resource Allocation
- Satellite Communications
- Smart Grid Communications
- Software Defined Networking
- Space Time Processing & MIMO Systems
- Transceiver Design and Analysis
- Underwater Communications & Networks
- Vehicular Networks
- Wireless Ad-Hoc & Mesh Networks
- Wireless Sensor Networks

Paper Submission

Authors are invited to submit **full papers** in PDF format. Detailed instructions can be found on the conference website: <http://www.ieee-iccs.org/>

Workshop and Special Session Proposal

The proposal should include the title and clear explanation of the content and the scope of the proposed workshop/special session. Please include in the proposal (1) Proposer's name, (2) Title and scope of workshop/special session, (3) Full contact information: mailing address, telephone and fax numbers, and email address. Detailed instructions can be found on the conference website: <http://www.ieee-iccs.org/>
